

Building Communities. Changing Lives.

September 8, 2015

Dear Fountains Resident,

An unfortunate matter has been brought to our attention. We have been informed that our staff, vendors, and residents are feeling harassed and bullied at work and in their homes. Our main objective at The Fountains is to provide a comfortable environment for all of our residents and employees. We take these types of allegations very seriously and will investigate them completely. During this investigation we have made the decision to add security for what we hope will be a short period as we resolve this issue.

In addition we will be requesting a meeting with our "Pura Vida" group, our resident association, we will be working with the local authorities and also scheduling a resident meeting in the near future to update you on these concerns.

If you have any questions please feel free to contact myself, Daniel Gutierrez, Property Manager at 408-786-6680.

We thank you in advance for your cooperation.
